10.	Suggestions and recommendations	<input checked="" type="checkbox"/> Yes, please write your suggestion in the section below.				<input type="checkbox"/> No

SUGGESTIONS:

Understood more qualifies operator couldn’t attend due to Covid. Attending operator had difficulties with English and this needs improvement.

Provided repair area sketches do not fully comply with IACS recommendation for repair (e.g.no radius marked in corners of inserts). These sketches are passed to SY directly by superintendent and sometimes wrongly cropped and renewed.
